U.O.No.132/CLAD dated the 7th November 1940.

Returned with Compliments.

1. 6) The file of records discloses that out of a total sum of Rs.4924-13-4 remitted by the Council, a sum of Rs.2118-12-4 represents wrong, excess or double demands, another sum of Rs.1895-5-0 recoverable demands and a further sum of Rs.910-12-0 the amount for which no details or records are forthcoming as stated by the investigating Officer.
2. 7) The Assessing Officer then in the town specially deputed to examine on its merit each case of remission or write off has opined that the remission of Rs.2118-12-4 in 367 cases due to wrong, excess or double demands may be accepted. The Council is also empowered to remit all such amounts under Rule 84-A(b) of Municipal Account Manual. This may therefore be allowed.
3. 10) As regards the sum of Rs.1895-5-0 remitted in 107 cases, he further states that this amount rightly recoverable has become irrecoverable due to lapse of time without exhausting the prescribed formalities such as issue of bills, notices and all processes of recovery and as and when the taxes due accrued as contemplated under Rules 59,70,81 and 84(b) of the Municipal Account Manual. The reasons such as poverty contest by the parties etc., are untenable. It is an avoidable loss to the Municipality and is a fit case for enjoining personal responsibility on the officers concerned. As also reported by the Investigating officer a write off does not appear to be justifiable in this case.
4. 11) As regards the sum of Rs.910-12-0 for which there

Sir,

Subject - Remission of Mohatarafa arrears during 1933-34 and 35-36 in Kunigal Municipality

I have the honour to forward herewith the file of records ending with letter No H C 9/46-47 dated 11-7-46 from the President, Town Municipal Council, Kunigal on the above Subject, and to state that a sum of RS 4924-15-4 was remitted and written off the accounts during the years 1933-34 and 35-36 by the Town Municipal Council, Kurigal and the Assistant Comptroller Local Audit Circle Shimoga has objected to such a heavy amount of remission and has observed that it requires sanction of Government.

The assessing officer, was instructed to investigate each and every case of remission and report the validity or otherwise in respect of all these cases. According to his report it is found that remission of Rs 2118-12-4 in respect of 387 cases is reasonable as in all these cases double demand, excess demand or wrong demand was booked. It is further reported that records relating to the remission of Rs 910-12-0 are not available in the Municipal office for scrutiny and that remission of Rs 1895-5-0 in respect of 167 cases is unjust and is due to belated action on the part of the Municipal Council in respect of the recovery of the arrears.

The Town Municipal council Kunigal have passed a resolution at their meeting held on 21-3-46 that Government may be requested to sanction the remission of the entire amount of Rs 494-13-0 as pursuing the matter at this distance of time will serve no use ful purpose on account of death of defaulters or change of ownership
